

Special email Board Meeting:

On Wednesday, May 27, 2020 an email was sent to the Board of Directors from Nick Pawlenty concerning the restrictions that are in place concerning Covid-19. Nick had been contacted by the Gear-Head committee concerning the decision the Chamber Board of Directors will need to make for the cancellation of the Gear-Head Get Together event which is scheduled to be held on August 15, 2020.

Paul Manuel commented that based on all other events large and small, locally and statewide being canceled this summer, we need to follow suit with the cancellation of the event.

After much discussion and getting input from the Gear-Head committee and from Paul's comment that based on all other events (large and small, locally and statewide) being canceled this summer, Kathy Hennen made a motion that the Board feels it is in the best interest to cancel the Gear-Head event for this year, 2020. With a second to the motion from Paul Manuel and Nick Pawlenty, President John Volden said the motion passed after hearing from the other Board Members.
